A COMMUNICATION FROM THE MINISTRY OF
WISDOM OF THE WORD

MAY 2026
VOLUME 27

From Jeannie

Traveling Truth

The Psalmist said, "His word travels with great speed." (Ps 147:15) Don't forget, when God decides something, it happens quickly!

Traveling truth: Oh, it happened quickly, alright! WOW started slow—or so I thought. Twelve young mothers and me. I was not young, but I was a mother. Then God decided! You have heard the saying, "It started so fast it made my head spin." I know you have wondered what was wrong with me; now you know.

I was in Snyder's Grocery Store when God said, "She's the one that you have been praying for." In front of me was Kay Wilson and her two preschool boys in the grocery cart. I had only met her once! I started explaining how I had been praying for someone to help us on the WOW council! She immediately turned very pale. Later, she told me she was so scared she took the boys out of the cart and went home and straight to bed!

It wasn't long before He pointed out Norma Garrett,

Marie

Coody,

Beverly

Langley, and Carolyn

Cronk, who all became faithful servants of God.

Isaiah said,

"My word, which comes from my mouth, is like the rain and snow. It will not come back to me without results. It will accomplish whatever I want and achieve whatever I send it to do." (55:11)

I heard someone calling my name in a large room recently. The woman was smiling and waving while she reached into her purse and pulled out a WOW bookmark that read, "INCREDIBLE!"

**TRAVELING TRUTH...
INCREDIBLE!**

Now I am a bit dizzy!

2026 Marks W.O.W.'s 40th Anniversary

In January, we came together with our flagship church (Bethany First Church) to celebrate 40 years of God's faithfulness with Wisdom of the Word. Jeannie spoke, we saw some clips over the years, and we heard from members who were there at the very beginning. It was so fun to hear the stories and a wonderful way to praise the Lord for changing so many lives through the power of His Word.

Have you been changed? We would love to hear from you! You can email us, send us a letter, or contact us through our website. We'd love to praise the Lord with you!

**They will see in our
history the faithful
love of the Lord.

WOW OFFICE INFO

OFFICE CHANGES

In late summer of 2025, the WOW office welcomed Stephanie Jones to bring us "into the digital age." We are excited to have our videos converted to allow for streaming over the internet! You can still rent the DVDs if you prefer. We hope this new change serves you better! Stephanie graduated from Southern Nazarene University and currently lives in Bethany, OK with her husband of 24 years and has two daughters, one in college and one in high school. Here's a brief word from Stephanie:

"God began to draw me specifically to the study of His Word as a new mother. It wasn't long until I found Wisdom of the Word and it genuinely changed my life. To find a verse by verse study for regular old me was not something I even knew was out there. Through it, the Lord gave me such a delight for the study of His word (something so different than just regular devotions, which I wasn't prepared for). After participating in WOW studies with my church for the last 19 years, I am thrilled to be able to work at WOW! I want everyone to fall in love with God's Word like I did.

So thankful to be a part of what God is doing through WOW!"

In January 2026, the spine of our office operations, the incomparable Kay Wilson, retired. We are so sad to not have her in the office every day, but she is still around and still participates in our WOW studies. We are so thankful for the last 40 years of service. To say she was integral to WOW is a gross understatement. Here's a brief word from Kay:

"It's been a blessing and a joy to be a part of the WOW team. Working with WOW has given far more to me than anything I could give to WOW. There has been no greater mission for me than to help people become student's of God's Word and to see their lives changed in the same way His Word has changed mine."

Stephanie is now taking over Kay's office duties. She asks for patience as she has extremely large shoes to fill!

Who Knew?

- That WOW would impact not only those attending but also their families - one husband so hungry for the Word he snuck in the back until he got the go ahead to start a men's group.
- That technology would advance to the point that even groups from senior living homes who can't attend in person can join online.
- That WOW would be around long enough to see *second* and *third* generations attend.
- That God would continually show us the perfect timing of which books to study so that what we learn is always relevant to what's going on in the world.
- That pastors, Sunday school teachers, and small group leaders from many denominations and countries would use WOW materials to supplement their studies.
- That *thousands* of people have joined what a few housewives and some prayer started...and people would keep coming back year after year.

*We are
grateful for
40 years!*

Who Knew? God Knew!

We believe God isn't finished with us yet! Please pray for us as we continue in to the next 40 years!

A Letter from WOW

Greetings!

We hope your 2026 has gotten off to a great start! This is WOW's 40th year and we are so grateful you have been a part of what God has done over these years. God has been so faithful and we are confident that will never change. As we look forward to many more years in God's Word, we have some exciting things to share with you.

First, we are working to get a new website up and running which should streamline your ability to order Bible Study materials and communicate with the WOW office. We appreciate your patience as that project continues.

Also, we are excited to expand our offerings so you are not only able to receive our workbooks in print, but now if you would like to receive an electronic copy that is an option. This will allow you to take control of printing costs for you or your group. The printed workbooks will also remain available to be printed and shipped to you ready to use.

Maybe the most exciting development is that we have digitized all our videos so you no longer *only* have the option to rent DVDs, but will have the option to access the lecture videos electronically, saving you shipping costs and allowing faster receipt of the content. This will require internet access to stream the videos for your group sessions.

In all of this, we have tried to keep our costs as low as possible. We have been consistent in our pricing for the past 40 years, but like everyone else we are having to make adjustments to accommodate increasing costs for printing, shipping, etc. As a result, it has become necessary for us to implement a modest increase in the prices of our studies. Beginning on May 1, our new pricing structure will be as follows:

- **Printed Lesson Book with Rented DVDs of teaching sessions** - this includes the purchase of printed books and the rental of DVDs for large group viewing. \$18 per book (\$15 per book for studies with 7 or fewer lessons) plus \$150 DVD rental fee (\$95 rental fee for studies with 7 or fewer lessons). Shipping costs also apply. For 50 or more books - 5% discount applies to per book cost.
- **Printed Lesson Book with Streaming Video Content of teaching sessions** - this includes the purchase of printed books and electronic access to videos for large group sessions (no DVDs). The access to the videos is granted for a period of one year and each member of your group has access to the link to watch videos on their own as well. With this option, the book cost remains at \$18 or \$15 per book but instead of paying for DVD rental, the study organizer pays a video streaming fee of \$10 per session. For example, for a study that includes 7 sessions, the video streaming fee will be \$70 and for a study with 14 sessions the streaming fee will be \$140). Shipping costs apply for the books. For 50 or more books - 5% discount applies to per book cost.
- **Electronic Lesson Book with either Rented DVDs or Streaming Video Content of teaching sessions** - this includes the purchase of one PDF version of the Lesson Book and a license to print copies for your group only. The books may only be sold to your group members for enough to cover your cost for the license and your printing cost. The cost for this license varies depending on your group size but is discounted off the standard per book price. Call our office for details on book pricing. The teaching videos can be added to this option as either rental of DVDs or streaming video content, with the same pricing as shown above for these options.

We will also be able to accept credit card payments beginning May 1. However, this includes a 3.5% fee that will be added to your cost at checkout.

We are happy to offer you some new options and methods to continue in the INCREDIBLE discovery of God's Word! We expect you will have some questions about these things, so please feel free to reach out to the WOW office by email at info@wisdomoftheword.org or phone 405-440-2050.

We look forward to hearing from you!
